

“We Don’t Need No Bailout, Cuz We Get the Mail Out!”

Yeah, yeah you know sometimes it’s hard to
make a dime right
If you don’t know what to do, just listen up
Yo M.E.S.T. kick it!

Its going down gotta market the business
Call PCM, get it poppin’ up in this
Gotta promote or the economy’s finished
Been prayin’ to god, can I get a witness?
Profit margins, what I have to see
So I stay promoting with a capital “P”
The way I make it, it’s like capitals free
Not falling victim to economical grief

1st Chorus

I like the way you market
No diggity
I got back it up
I like the way you market
No diggity
I got back it up
I like the way you market
No diggity
I got back it up
I like the way you market
No diggity
I got back it up

2nd Chorus

Poor then I, got mine, you know this
(Postcards)
Broke was I, O’ my I’m so rich
(Postcards)
He’s so fly, O’ my, he markets
(Postcards)
He’s my type, ask why, he’s so rich

The boy get big money buy big cards
6 x 9” fill a mail box
Stay sky high flyin’ in the stars
Bought these tights, 80 grand large
Got those, if the cards are the question
And ‘Pepto’ if you’ve got indigestion
And I ain’t talking none of that smooth shhhhh
So much cash I could fill up a cruise ship
BALLIN’!

3rd Chrous

Poor then I, got mine, you know this
(Postcards)
Broke was I, O’ my I’m so rich
(Postcards)
He’s so fly, O’ my, he markets
(Postcards)
He’s my type, ask why, he’s so rich...

And the bass keeps runnin’
And runnin’, and runnin’
And runnin’, and runnin’

In this contest we cause effect
I promote mine, you break your neck
We got 5 minutes for us to disconnect
To use intellect and let the promo affect
Obstacles are insufficient
Follow your intuition
Open your eyes, promotion is our vision
So when we go out
We can make the streets loud
You won’t believe how, we can change it now
Do it ‘cause you know how
Work until you’re burnt out
Scream out loud North, West, East, South

4th Chorus

Let’s get “postcarded” in ha!
Let’s get “postcarded” in here!

Let’s get “postcarded” in ha!
Let’s get “postcarded” in here!

Let’s get “postcarded” in ha!
Let’s get “postcarded” in here!

Let’s get “postcarded” in ha!
Let’s get “postcarded” in here!
