

## PostcardMania Postcard Donation Agreement

I \_\_\_\_\_ an authorized representative of \_\_\_\_\_  
CONTACT PERSON ORGANIZATION

understand that PostcardMania is donating all or a portion of the cost of postcards and/or design and/or mailing services and that in doing this they are incurring an expense. As PostcardMania is donating these printing materials, I understand that the words "Lovingly donated by PostcardMania" will appear on my art in some manner in fine print so as not to detract from my main message.

I understand that PostcardMania is not donating any of the postage or shipping fees and that I am responsible for the full amount of postage due for the mailing (see postage rates) and/or shipping fees.

I confirm that we have the funds raised for the postage and that the printed materials will not go to waste, they will be mailed or distributed at the expense of \_\_\_\_\_  
ORGANIZATION

I also attest that I have read all the instructions (see attached).
